

JASON O'MALLEY

IT CYBERSECURITY | FULL STACK DEVELOPER

EXPERIENCE

FOUNDER & APPLICATIONS DEVELOPER

A Digital Media Studio, LLC

2025 - Present

- Design and build websites, internal tools, and digital systems for small business and community clients
- Manage projects end-to-end, from discovery through implementation, content creation, and launch
- Produce supporting media assets — photography, video, and drone coverage — to strengthen client digital presence

FREELANCE SOFTWARE ENGINEER

Self-Employed

2020 – 2025

- Built web applications and custom solutions using JavaScript, Node.js, Python, APIs, and database-driven architecture
- Helped small business clients move from in-person storefronts to e-commerce during COVID-19, matching each to the right platform — Squarespace, WordPress, or a custom build
- Configured, deployed, and maintained hosting environments on Render and DigitalOcean, training clients to manage sites going forward

ADDITIONAL EXPERIENCE

EVENT PRODUCTION & MEDIA — NEW YORK, NY

2009 – 2020

- Event Manager, Relevant Events
- Event Manager, Olivier Cheng Catering and Events
- Event Coordinator, Soho House & Co
- Freelance Videographer, American Museum of Natural History

EDUCATION

2023 – Present

HARVARD UNIVERSITY EXTENSION SCHOOL

Master of Liberal Arts (ALM) Candidate — Digital Media Design

1996 – 2000

UNIVERSITY OF NORTH CAROLINA WILMINGTON

Bachelor of Science - Sociology
